## President's Report.

Happy New Year 2020!

I hope everyone has recovered from the busy Christmas/New Year celebrations, and now is the time to get back into the fun, fellowship and friendship of Probuss.

About 70 members had a great time at the picnic in January, and other activities which continued during the holiday period have been well attended.

Nominations are now open for our committee for the next year. We still need 2 more members to nominate, one of whom will be vice president. Other jobs that need to be filled are: - an activity leader for trips and tours, an organiser for guest speakers, and a membership officer. Please consider offering for these jobs.

Keep supporting our club through participation and suggestions.
